

Lykins Energy Solutions 29th Annual Charity Golf Outing Benefiting CASA for Clermont Kids!

Lykins Energy Solutions has sponsored a charity golf outing every year for last 28 years, and for the past 18 years, our benefactor has been CASA for Clermont Kids! This event accounts for almost all of the operating budget for this not-for-profit organization.

The children of Clermont County are faced with the harsh reality of a heroin epidemic. Silent victims, they're taken on drug deals, watch their parents use, and are abandoned when a parent overdoses, confused and alone. Is that any childhood for a child? No child should ever have to suffer through that, yet many do.

CASA for Clermont Kids! provides help and support for these children. CASA gives them a voice in the courts where it is most needed. This organization makes sure the best interest of the child is the most important thing during court proceeding, which is why it is so urgently important to keep them funded.

These children have nowhere else to turn, which is why Lykins Energy Solutions feels very strongly about CASA. If the community does not step up to help these abused and neglected children, they have little chance of survival and becoming productive members of society.

Last year we raised \$73,000!! It was our best year yet! That success was made possible by the help and support of all of our customers, clients, and vendors like yourselves.
